**Subject:** Solvay - feedstock

All,

My bureau chief and I spoke with Solvay on Jan. 2, and we discussed Solvay supplying us with samples of their current PFAS feedstock, since they have now agreed to cooperate. I think it's great news!

I have some questions for Solvay in the meantime regarding a table they submitted with

**Ex. 4 CBI**

**Ex. 4 CBI**

**Ex. 4 CBI**

Questions for you all: How much of the liquid or solid do you need

Thanks, Erica
